

KIRRA PATIO CHAIR

Outdoor dining chair made of teak wood and aluminum

Black: 8603235

Taupe: 8603236

FSC® CERTIFIED TEAK WOOD

DURABLE AND STRONG STRUCTION

DANISH DESIGN

Kirra Patio Chair is an exclusive and modern design created from durable materials. The seat is made of FSC-certified teak wood, which is a very beautiful durable material. The chair's gorgeous frame is made of aluminum, which has been powder-coated and therefore can stand outside all year round and never rust.
