FSC® CERTIFIED TEAK WOOD

DURABLE AND STRONG STRUCTION

DANISH DESIGN

Kirra Dining Table is an elegant dining table for outdoor use. The table is made of powder-coated aluminum with a gorgeous tabletop of solid teak wood slats. Kirra Dining Table is a continuation of our Kirra Series, but also the beginning of a new look, where the rounded legs and corners soften the sleek, rectangular design. Kirra Dining Table is perfect for family gatherings and friendly hangouts.
