# Blanc Bar & Counter Stool

## Product facts

### Materials

---

Body	Solid oak
Finish	Hardwax oil

### Technical features

---

#### Seat

The Blanc Bar & Counter Stools are crafted from solid oak wood using advanced woodturning lathe technology. Each stool features a thoughtfully designed seat with a rounded edge, providing both a softer touch and enhanced comfort.

#### Legs

These stools feature a distinctive tripod leg base, seamlessly connected to the seat with characteristic wedged round tenon joints. To highlight the craftsmanship, rich walnut wedges are used, offering a striking contrast to the oak wood construction.

#### Finish

Available in three plant-based Hardwax oil finishes that preserve the wood's natural appearance: white, natural, and smoked oil.

#### Cleaning

Please see [Product](#) or [Material](#) page on our website.

### Notes to consider

---

#### Variations

Natural variations in the colour and surface texture of wood may occur. Regular maintenance ensures the wood retains its authentic beauty and durability for generations.

#### Product Changes

Please note that Gazzda reserves the right to modify the construction and design of its products without prior notice.

#### Dimensions (Tolerances)

The dimensions provided are indicative and subject to variations due to the natural properties of wood, seasonal changes, or manufacturing processes. Deviations from the specified sizes may occur but usually do not exceed 1 cm.

For any additional inquiries regarding the Blanc Bar & Counter Stools, please feel free to [contact us](#).

# Blanc Bar Stool

Body Solid oak

Version: 28-3-2024
